

#Talkie

Text-to-speech mini app

Details

Below is a list of some known non-speech sounds, you can add them to your prompt to get that sounds in generated audio:

- [laughter]
- [laughs]
- [sighs]
- [music]
- [gasps]
- [clears throat]
- — or ... for hesitations
- 🎵 for song lyrics
- CAPITALIZATION for emphasis of a word
- [MAN] and [WOMAN] to bias #Talkie toward male and female speakers, respectively
